The office was without power for 7 ½ days so I'm working on wrapping up the training materials and items the BOR will need for next week. I have had a couple of calls/ Emails regarding the notices that were sent out. They have ranges from address changes, questions on how to read the notices (new owners & split parcels), Principal Residence Exemption, and value questions so far.

BRANCH COUNTY- Alan McClellan- Sgt Gatke announced his retirement. 911 still having some issues communicating with the State Police agency on the 800 mhz. The State has not upgraded to the system currently used by Branch County. The county has applied for a broadband grant- this won't actually go to the county it will be for the Company putting the broadband in. This will actually put more companies into the mix to allow competition. A question was asked about possibly putting together a 2nd shift for the Sherriff's Patrol. It is always a top priority to provided additional coverage for Road Patrol.

CEMETARY REPORT- The tractor has been picked up and is now out of the cemetery.

ZONING REPORT- 2 Zoning permits issued for February 2023. One ZBA hearing scheduled for March 30th. Still one Zoning Vioalation outstanding and being dealt with.

FIRE ASSOCIATION- February meeting is March 9th 2023.

Public Comments- Justin McReary- Asked about the cancelation of the Police Coverage with the Village of Quincy. The contract with the Village expired in 2017 and had not been renewed. Also the coverage that was supposed to happen according to the contract was not happening. The Village has been short handed and not able to provide the coverage. The funds are not available to keep making these payments. Justin stated that he owned D's Shop and Fly and wishes that he had Police Cars driving through his parking lot and by his house from time to time. He stated that he knows it is a nationwide problem right now. He stated that \$24,000 for police coverage didn't seem like much. He was informed that the Board had been informed that the price was not going to stay at that amount. And the Quincy Township did not have the funds to accept the new quote. The price was substantially higher than the current rate and without a Millage the Township could not afford to pay the rates. Zoning for Solar- Matt said that it is better than some areas, but could use some improvements.
